IMPORTANT NOTICE: COVID-19 Testing, Saline Now Accepted

Dear Valued Client,

We are pleased to announce that, effective immediately, National Jewish Health Advanced Diagnostic Laboratories is accepting swabs in saline for the COVID-19 Qualitative Real-Time PCR test. We also continue to accept nasopharyngeal, nasal, midturbinate, and oropharyngeal swabs in viral transport media.

For additional collection and transport information please visit our test directory on njlabs.org.

National Jewish Health Advanced Diagnostic Laboratories continues to increase capacity to support the COVID-19 pandemic. We take pride in performing high-quality testing 7 days a week with a 24-48 hour sustained turnaround time. We also accept samples 7 days a week.

It would be a pleasure to perform additional COVID-19 testing for you. For additional information or questions, please contact your Account Manager or our Client Service team at 800.550.6227.

Sincerely,
